Volume 2, Number 28:

Guide to GC principals

Retirements and transfers within District 9 have left the school system with 10 new principals at the district's 12 schools and a new principal will soon be selected to replace new high school principal Ken Spalding at Grigsby Junior High. Below is a guide to all current principals at each school and when they assumed their positions.

with 10 new principals at the district's 12 schools and a new principal will soon be selected to replace new gale too all current principals at the discrete to replace the spatial ken Spalding at Grigby June 10 new principals at each school and when they assumed their positions.

• HIGH SCHOOL — Ken Spalding, Appointed by the board on Aug. 19. He has worked within District's 16 ro 23 years. He was hired as a social studies teacher in 1960, was appointed assistant principal at Grigsby in 1960 in 1960, was appointed in May 1985 as Grigsby principal.

• COOLINGE JR. HIGH — James Jeffries, Appointed July 23 for the 1986-67 school year. He has worked in the district for 22 years. He was hired as a high school teacher in 1963, was appointed in Grigsby assistant principal in 1960, was appointed Grigsby assistant principal in 1960, was appointed Grigsby assistant principal in 1960, was appointed of the 1960-67 school year. He has worked in the district for 22 years. He was hired as a high school teacher in 1963, was appointed Grigsby assistant principal in 1960, be the assistant director of darper or an experiment of the process of the 1960-67 school year in 1961 and 1960-68 (e. GRIGSBY JR. HIGH — Position vacant as of Aug. 19, 1986, with the appointment of former Grigsby principal in 1986.

• GRIGSBY JR. HIGH — Position vacant as of Aug. 19, 1986, with the appointment of former Grigsby principal Hen Spalding to the position of Grante City High School principal.

• FROHARDT GRADE SCHOOL — Don Koptech in the district for 1980-84 schools of Grade School in 1982 and, when Nameoki closed, became the principal at Frohard.

• MARSHALL — Dr. Goni Michaeloff Appointed Aug. 5 for the 1986-87 school year. She has worked in the district for 22 years. She was hired as a nenglish teacher in 1953, to speech department of 1973. Michaeloff became a GCHS year is 1980-87 school year. He has 37 years of service in District 9. He 1986-87 school year. He has a reacher at the former Nameoki School Frohe 1986-87 school year. He has worked in

Mandatory drug testing for drivers

By David Gosnell Staff writer

GRANITE CITY — Bus drivers who drive District 9 students will now be required to undergo drug testing.

Drivers for R.W. Harmon & Sons

now be required to undergo drug
Drivers for R.W. Harmon & Sons
Inc.) which is under contract to provide District 9 bus service, are currently testing all employees for
drugs before the school term begins,
said area manager Jerry Smith.

"THE—TESTING will—add to other
ment to safe driving and add to other
physical and safety requirements
already in place, said Smith.

"There's always the question. Is
that driver physically fit? It's justair extension." Smith said.

Drivers, mechanics,
managers
urinalysis tests "for all hard drugs"
and alcohol before each school year
begins, said Smith. All new applicants will also be tested.

Such tests give a positive or
negative indication of drug use
among 12 substances, such as coconstant of the such as co"WE FEEL in the type of operation we are in, we need to be aware."

Smith said.

Drugs tests for everyone?

To the editor:
The federal government, especially the military branch, has been a leader indeveloping testing for drug abuse. The fundamental reason is that the health and safety of military personnel are involved in the use of

personnel are involved in the use of drugs. An impaired individual malfunc-tioning, as part of a military team.

An impaired individual malfunctioning, as part of a military team, puts everyone in jeopardy.

A massive drug testing program has been used for several years by military units of the United States. It seems to be reasonable effective.

We are all aware of drug use by prominent players on baseball, football and basketball teams. We are familiar with the deaths that have occurred.

amiliar with the deauns took courred.

Currently, professional football ind baseball leagues are trying to mpose mandatory drug testing on players. A clash about this conroversial proposal is now under

way.

Questions about legal rights and invasion of privacy are part of the uproar. Whatever the outcome of the professional sports controversy, drug testing is being done on a wide

professional sports controversy drug testing is being done on a wideorder. Many private companies and corporations have already instituted drug testing programs and more and more companies are following the test. The legalities of these prolarge the programs are following the test. The legalities of these prolarge with employees, the legality of such testing is established.
If it is part of the contract, the testing appears to be legal. It is other there is a union contract that the string appears to be legal. It is other there is a union contract that the string becomes an issue.

Many employees are now being fured with the direct understanding that they must submit to drug lesting or they will not be hired. It is strictly a company-person relationthe string the such properties of the submit to drug lesting or they will not be hired. It is strictly a company-person relationthe submit of the submit to drug lesting on the submit to drug lesting on the submit to drug lesting on the submit of the submit to drug lesting on the submit of the s

to the use of drugs. The chance for spurious effects is very small in-deed. Occasionally, someone on a legal medical from a physician has tested positive. But this is not really a problem. The steps that are usually followed is making a drug analysis are ather

a problem
The steps that are usually followed
in making a drug analysis are rather
complicated. Without going into the
technical details of the thin layer
chromatography and radio-immuno
assay tests, an idea of their reliability can be developed.

One test is used for a broadscreening-to examine hundreds of
samples quickly. Those samples
that might occurred to the sample of
that might on the urine are identioned in a general way. After a sample has been screened and is
suspect, a second, entirely different,
test is also made on the sample.

If that indicates the presence of
drug-related compounds, then a
third test is made. This removes any
chance for a random error. If the
three tests all show the same result,
then the possibility of a mistake is
very realistically, the chance for an error will power reads the same heavener.

then the possibility of a mistake is very small.

Realistically, the chance for an error will never reach zero because reach zero because the levels that are tested are usually somewhere between parts per million and parts per billion.

At such extremely low concentra-tions any minor mishandling or con-tamination by the analyst can bring-about incorrect results. Samples can also be mis-labeled, and something to contaminated, etc.

But fundamentally, the tests are

contaminated, etc.
But fundamentally, the tests are
very good. The overall accuracy is
about 99 percent or better.
Soon, practically all federal
employees will be subjected to drug
testing. A great many companies
already do this, and more are startion such programs.

the medy do this, and more are starting such programs.

Drug testing is now necessity in industries such as railroad, airlines,
etc., where the safety of many
others depends on reliable performance. Such employees have been
tested for a long period of time. And
most employees in such industries
agree that the tests are needed.

Of the use of the control of the control
and costs companies
money. Furthermore, other individuals may be endangered by the
impaired drug user. So it appears
that drug testing is now a commonplace situation that will eventually involve almost every one of

state and others, is actively promoting the economic development of the Quad-City Area. The Tri-City Regional Port District is an important part of this Cultering the Companion project is only one of many indications that the effort to promote our area's many assets is proving to be successful.

Reruns thriving in outer space and on earth

Scientists say that if a person Dikes a television into the vast dep-ties of outer space, programs of the post can still be received. But, one doesn't have to go that

But, one doesn't have to go that the same thing exists right here the property of the same that the scalled — reruns—the same term junkle.

It showed this past Thursday and Driday night when Channel 9 aired the last two episodes of "The Fugitive." This is where Dr. Brehard Kimble finally catches Fried Johnson, the one-armed man.

It have been watching reruns of Johne 1985. I can still remember in the lafe 1960s watching each Tuesday night and wondering if Kimble would ever catch the one-armed man.

The Fugurive — A QM Productive — A QM Productive

When the show returned in rerun form last year, those words brought back childhood memories of sitting around a 21-inch black-and-white TV. That was big time for 1967.

Television today is full of reruns. Not just the old standards (''I Love Lucy,'' "Gilligan's Island'' and "The Brady Bunch," but a wide variety of others.

Old programs from the golden age of television in the early 1950s up to the 1980s are being shown again. This was evident recently when Showtime, a cable network, area lost episodes of "The Honey-mooners." A whole new generation of viewers got to hear Ralph

Kramden say "To the moon, Alice":
or "One of these days, Norton, pow!
Right in the kisser."
Reruns can also give viewers a seordicities, a particular program.
For example, when "All in the
Family" first aired in January 1971.
1 didn't like it. But now! renjoy
reruns of those early episodes. I
guess it's hard not to like Archie
Bunker.

guess it's hard not to like Archie Bunker.
Some reruns I have seen more than once. I know I, as well as many others, have seen every episode of "Gilligans' Island" and "The Brady Bunch" several times over. Though I've seen them all, I still enjoy watching them again and again.
Another me all, and the growth of the seen that the seen and the seen again and again.
Another of the seen and the seen again and again.
Another of the seen and the seen again and again.
Another of the seen and the seen again and again.
Another of the seen and the seen again and again again again again and again ag

Quincy-M.E."
Reruns can also show your age.
Recently I was with a group of
penagers listening to music by the

1960s rock group "The Monkees, who had their own television sho

1960s rock group "The Monkees," who had their own television show from 1966-68. Reruns of the show were recently aired on MTV.
"I remember when their show first ran," I told the teenagers.
I got a cold stare from the teens which made me feel old. Why shouldn't I feel old? When "The Month of their man and their mere infants, anyway.
Reruns play an important part in television programming. Independent stations thrive on reruns. The so-called "superstations" (WOR, WGN, WTBS) broadcast almost entirely reruns.

WGN. WTBS) broadcast almost en-tirely reruns.

Many of the programs being shown again have a bigger following than when they first aired.

With the popularity of reruns, maybe it's a reflection on TV as a whole. Reruns are broadcast countless numbers of times. The same characters and, the same dialogue. Yet, there still seems to be an audience for them.

Rut if Lever and going to take a television with me and catch an episode or two of Milton Berle.

Pressure can quickly become censorship

To the editor:
The U.S. Attorney General's Commission on Pornography has stirred a national debate on the effects of pornography in our society. Dell Publishing Co. Inc. supports and encourages debate on this issue, and any issue of public concern.

It is the company's view, however, that as the debate on pornography begins to affect business practices—when organized groups pressure retailers to stop selling specific books, magazines and other periodicals—the issues in question widen to encompass censorship as well.

well.

As an ardent supporter of First
Amendment freedoms, Dell stands
squarely against all forms of
censorship.

We have a long-standing tradition of publishing and distributing

distinguished books and magazines with a broad American readership. During our 60 years in the business, our goal has been to bring the American reading public the very best in literature and entertain. very best in literature and entertain-ment. Preserving the freedom to read, and all First Amendment rights, is essential to our business-and to the nation as a whole. In support of this stand, we have produced and are distributing anti-censorship bumper stickers and

produced and are distributing anti-censorship bumper stickers and decals matinowide to retailers, periodical wholesalers, trade publications, distributors and their publishers. We are asking these people to display this material prominently. The bumper sticker reads: 'Don't lef others choose what you can read.'

VENTS — A large metal building
Will be constructed by O'Dell's Iron
Metal Co. at 100 State St.
Acatee, according to a building permore recommended by the city inspector and approved Tuesday night

off-recommended by the city in-spector and approved Tuesday night by the City Council. E-stimated value of the embeddit-foot structure is \$5,000. ALDERMEN also approved a building permit for Jesse and Hrances Thomas, 802 Bissell St. allowing construction of the Marry by Bang, an East St. Louis contrac-ter. Estimated cost of the dwelling is \$65,000.

ser. Leatunatee cost of the dwelling is 6,6000.

Two permits were granted to Alurt Teasing Inc., 1601 Market St., at the July 29 meeting, allowing two residential duplexes and insulated the series of the series o

reassurance that this region and metropolitan area face a positive future regarding employment op-portunities and general economic prosperity.

With half of those surveyed voicing confident comments about the near future, 60 percent of the Madison and St. Clair counties leaders expressed optimism regarding the business outlook for themselves and others.

court on Venice cases in July
ADULTS ARRESTED in July on a
total of 271 charges included 186 men
and \$5 women, the chief said. Eight
juveniles, all males, also were arrested last month.

A check sent to the City of Venice
in June, also representing court
fines, amounted to \$5,288.

Twenty-sent to \$5,288.

Twenty-sent to \$5,288.

Twenty-sent to \$5,288.

There juveniles were booked on three charges in the same
month.

GRANITE CITY—fee creamtrucks will not be coming back to
Granite City.
The City Council Tuesday night
unanimously approved concurring
with a recommendation by the ordinance committee not to lift the ban
on the trucks.

ANNCE was passed on
Aug. 18, 1965, making it illegal to sell
or offer for sale any candy, snow
comes, ice cream, confection or any
food or beverage from a motor vehicle or eart on any public street or
sidewalk in the city.

The law went inte effect May 1,
1966.

The law went and 1986.

The ordinance was drafted after at least six children had been injured and one killed after accidents involving ice cream trucks or vehicles near the trucks.

created by Children classing the trucks.

At the council's Aug. 5 meeting, Collinsville attorney H. Carl Runge spoke to the aldermen about lifting the ban on the trucks.

Runge, who represents Delight Wholesale Co. of St. Louis, presented

Ban on ice cream trucks

RESIDENTS had also protested gainst dangerous conditions reated by children chasing the trucks.

At the council's Aug. 5 meeting, ollinsville attorney H. Carl Runge poke to the aldermen about lifting the ban on the trucks.

Runge, who represents Delight Pholesale Co. of St. Louis, presented

EARN MORE ABOUT ASIA ALIVE WITH NITA EDWARDS

With the dawn of each day, Calvary love is expressed and experienced at "Wha Fude Jea" beyond a doubt. Nita explains, "The intention is to show the chief when the day of the chief appetites to love and be loved." Food products, clothing, toys—theref appetites to love and be loved." Food products, clothing, toys—theref each see met by caring donors the world over who share the call of ASIA ALME and its founder. The daughter of a judge, once Nita was aspiring to be a surgeon who could bring relief to military generals she is sharing the love of Christ with prodous children who are victims of mental retradiation, disease, poverty and infections in a tangible way. "The suffering and the destrutes are our responsibility, they need our heartful support are Christ as Lord and and Saviour." In their struggle for survivolation as the way to fight abortion. The medical and doorgan includes both the youth and the deletify. "Just wherever there is an opportunity to meet a need, we take it.— when God opens the door, we walk intrough."

ROAD HAZARD

NOTICE OF PUBLIC HEARING TO BE HELD BY THE CITY COUNCIL OF THE CITY OF MADISON ILLINOIS TO COMPLY WITH THE TRUTH-IN-TAXATION ACT OF THE STATE OF ILLINOIS (Public Act No. 82-102)

NOTICE IS HEREBY GIVEN BY THE CITY COUNCIL OF THE CIOF MADISON, MADISON COUNTY, ILLINOIS that:

1.1 OF MADISON, MADISON COUNTY, ILLINOIS that:

1. The aggregate amount of property taxes, exclusive of election costs, extended by the County Clerks of Madison and St. Clair Counties, Illinois, upon the levy by the City of Madison, Illinois, for its fiscal year 1985-86, based on the assessed valuation of the City of Madison, Illinois, for the year 1985, was \$154.046.00

\$104,046.00.

2 That the amount of the City of Madison's proposed levy, exclusive of election costs, estimated as necessary to be raised by taxation for the Village's fiscal year 1986.87, and based on taxes levied against the assessed valuation of the City for the year 1986, is \$186,800.00.

ty for the year 1986, is \$186,800.00.

3. Said proposed levy of \$186,800.00 represents an increase of \$22,754.00 in the proposed aggregate amount of property taxes to be levied and extended for the fiscal year 1986.87, against the assessed valuation of the City for the year 1986 as said levy relates to the taxes extended of the levy of the preceding year of 1985, said amount being 113.87% of the taxes levied for the year 1985.

4. A public hearing regarding said proposed aggregate amount of property tax to be levied and extended for the City's fiscal year 1986-87, on the assessed valuation of the City for the year 1986, will be held at 7:00 p.m., on the 3rd day of September, 1986, in the Council Chambers, City Hall, Madison, Ilinois.

All persons desiring to be heard on any matter regarding the proposed tax levy of the City for the year 1986, may appear and be heard at the said time and

DATED, this 19th day of August, 1986.

BARBECUE COMPETITION

Backyard Barbecue Finals Enter & Win!

It's not too late to enter the All American Backyard Barbecue Competition, on tap for Saturday, August 30. The event will take place at Memorial Plaza in downtown St. Louis, in conjunction with the All American Barbecue (professional) Competition being held Labor Day weekend. Prizes include two \$500 Schnucks gift certificates for the first place winners, two \$100 gift certificates for second place, and two \$50 certificates for third place. We will accept new entries at all metro Schnucks stores thru Aug. 26. Entry fee remains only \$5.00 for each category (pork steak or pork rib); payable to Boys Town of Missouri. Join us for the fun and excitement!

4n Maion, the opening day will be Monday, Aug. 25, for teachers' distinction of the Monday of th

On Tuesday, the high school students will report from 8 a.m. to 1 p.m. Coolidge Junior High School from 8 a.m. to 12:30, Grigsby Junior High School from 8:20 a.m. to 12:30 and elementary schools from 8:30

and elementary schools from 8:30 a.m. to noon. All-day sessions in Granite City will start on Wednesday, with high school and Coolidge hours from 8 a.m. to 3:35 p.m. and grade schools from 8:35 p.m. and grade schools from 8:36 p.m. blank of the schools from 8:36 p.m. blank of the schools in Granite City and St. Mary-St. Mark's School in Madison and Venice will hold the first day of school on Tuesday, Aug. 26.

286. Registration and orientation for parents and students at Sacred Heart-St. Joseph will be from 10 a.m. to 12:30 pm. on Sunday, Aug. 24, in the school cafeteria. A half-day session for pupils in all grades including kindergarten will be held from 8:30 to 10 a.m. on Tuesday.

from 8:30 to 10 a.m. or Aug. 28. The first full-day Sacred Heart-St. Joseph schedule will be from 8 a.m. to 3 p.m. beginning Wednesday, Aug. 27, for-those in the first through eighth grades. Kindergarten students are to be in session from 8

students are to be in session from 8 a.m. to 11 a.m. to 18 a.m. to

Most students to report Aug. 26 mainder of the week, classes will continue on a partial-day schedule.

mander of the week, classes white-continue on a partial-flay schedule; FULL-TIME classes will begin on Tuesday, Sept. 2, at St. Margaret Mary, from 8:10 a.m. to 3 p.m. Kindergarten will be held on a regular schedule beginning Tues-day, Aug. 26, from 8:10 to 11:15 a.m. each day. St. Mark in Madison and St. Mary-St. Mark in Madison and the manual flay of the st. Market held the st. Market in Madison and beginning Tuesday, Aug. 26, and for the remainder of that week from 8:30 to 11:30 a.m. The full-time schedules will begin on Tuesday, Sept. 2, lasting from 8:30 a.m. to 3:10 p.m.

Classes at Metro East Lutheran High School, 1001 Center, Grove Road, Edwardsville, will be in ses-sion from 8 a.m. to noon on Monday, Aug. 28, and, effective on Tuesday, Yug. 26, from 7:55 a.m. to 2:15 p.m.

Aug. 28, from 7:55 a.m. oz. 13, p.im. CENTRAL BAPTIST Christian Academy, 3940 Illinois 111, and Gateway Christian Academy, 2067 Benton St., will both begin the fall semester on Tuesday, Sept. 2, with classes from 8:30 a.m. to 3 p.m.

Colonial Christian Academy, 2450 Pontoon Road, is tentatively scheduled to begin fall classes on Tuesday, Aug. 26.

Patent seminar for area inventors

The Center for Advanced Manufacturing and Production (CAMP) at SIUE will sponsor a seminar Sept. 6 on patents for backyard basement and garage in-

(CAMP) at SIUE will sponsor a seminar Sept. 6 on patents for backyard, basement and garage inventors and entrepreneurs.

Sponsored by the Technology Commercialization Center (TCC) Project, the one-day seminar is scheduled in the Redbud Room of the University Center from 9:30 a.m. and 2 a.m. and 2 a.m. and 2 a.m. and 2 a.m.

scheduled in the Redbud Room of the University Center from 9:30 a.m. until 2 p.m.
Registration, which includes lunch, is free for members of the southest Registration for non-members in the Registration for non-members is \$10. For those who wish to become members of the Inventors Council, annual dues will be \$25.
Speakers for the seminar include Bryan Wheelock, patent attorney with Semiger, Powers, Leavitt & Roedel in St. Louis, and Fatent Depository Library Program of the Illinois State Library System in Springfield.

Topics will include how to conduct a patent search and how to apply for patents.

Additional information may be ob-

patents.
Additional information may be obtained and reservations may be made by contacting James W. Mager Jr., assistant director of CAMP and manager of the TCC project, at 1-692-2166.

Scholarship fund will honor voice teacher Marian Whitehead, recently decased teacher of voice students at SIUE, will be commemorated by the establishment of a scholarship fund for aspiring singers. Her association with the university began in 1964, a year before the Edwardsville campus formally opened.

• Mrs. Whitehead was born in St. Louis in 1907. She attended Harris Teachers College and the University of Missouri at Columbia. Her first voice teacher was Louise Gregor; she later studied under Hans Roser, wald in Chicago, where she made her debut with the Chicago Lyric Opera in 1934.

Golfers' tour of Scotland 'outstanding'

By Dave Whaley
Staff writer
If you wanted to play golf on
some of the oldest, most historic
courses in the world, you could do
a not have been a seen and the world, you could do
a not hart's just what happened
for a group of high school students,
including four from Granite City,
in July. The group of 12 were led
on a trip to Scotland by Russ Chappell, the golf coach at Granite City
High School.
And the experience, according
to Chappell, was "outstanding,"
Experience for the kids," Chappell
said. "It's an opportunity they prohably won't get again."
The opportunity came because
of an organization called Sport For
Understanding,
an offshoot of
Youth For Understanding, which
promotes cultural exchanges
through sports
an article in, a
magazine a few years ago, and indicated an interest in leading a
The group left July 1 and came

group.
The group left July 1 and came back July 31. In that time, they visited farmous Scottish courses such as St. Andrews, Lanark and Longniddrey. They were at the Turnberry course the weekend of the British Open July 17-20).

the British Open Cally 17-201.

"Granite City kids who made the trip iscluded Mike Sturman, a 1986 graduate of GCHS". Jeff Isenberg, a senior this year; John Lostutter, a junior this year; and Bill Yelton, a 1986 graduate of Metro East Lutheran High School in Edwardsville. Others from the area were william Clopton of O'Fallon and Hal Patton of Edwardsville. There were also students from California, Michigan and Minnesota.

"The kids paid their own way.

nia, Michigan and Minnesota.

"The kids paid their own way, which was about \$1,800," Chappell said. "But our itenerary was completely arranged in advance; so we had everything laid out for us when we got there. The kids were picked to go on a first-come, first-served basis."

The group got to do a lot of sightseeing at Edinboro, Glasgow

Gregg Weeks of G and J Sharp-all Service in Granite City knew he might not receive any extra publicity by sponsoring a softball

bublicity by sponsorms bublicity by sponsorms bublicity. But that didn't stop him.

Weeks doled out approximately s600 to cover the cost of his team's entry fee, shirts, caps and the sponsorms bublicity.

Weeks doled out approximately \$600 to cover the cost of his team's entry fee, shirts, caps and softballs.

Hardly a fortune, but still a stable as amount for any small stabless. Despite his efforts, Weeks did not see any increased revenues through the free advertisement of having his shop's name plastered on the front of the team's shirts.

But G and J Sharp-All's Men's on the field.

Then came the playoffs and the

on the field. The playoffs and the team began to hit a groove and won the post-season tournament. First they beat Hunter Realty 13-4 in the playoffs and then wrapped up the championship with a 5-1 victory over J. Scott's, winners of the regular season title. The playoffs and then wrapped up the championship with a 5-1 victory over J. Scott's, winners of the regular season title. The season title the playoffs and the season title to the season title the season t

Sponsor's 'award' was worth the cost

United States is the Scottish courses are less-groomed, Chappell said.
"They play the natural train of the course," he said. "They don't do a whole lot of work on them. They will build a course and the course, and the said. "They will build a course and the said." The said was the said. They was there there aren't many par 5 holes. And there's very little water on the courses."
There was, however, water falling on the courses during the group's stay. Chappell said the weather was "about 80 percent rain."

group's stay. Chappen's and the weather was "about 80 percent railine group was very well-received by their guests.

"We had a week of orientation in Washington, D.C.," Chappell said. "And we were told we would be ambassadors for the United States. To the people we met in Scotland, we were the United States golf team."

And the week of orientation and the state golf team."

"We had a great time both with the golf and with the opportunity to see a lot of the culture of Scotland," Chappell said.

Sports

Comment

WITH THE SHARK: Russ Chappell and his group of students from Sport For Understanding met up with Greg "The Shark" Norman of the PGA Tour at Turnberry, Scotland, July 18. Norman was in the process of winning the British Open at the time. He's wearing the white sweater in the middle. Chappell is in the back row, far right. Other members of Chappell's group include Mike Sturman of

Granite City (four faces to the left of Norman), Jeff Isenberg 2ab (immediate left of Norman, back row), Bill Yelton of Granite 152 City (immediate right of Norman), Hal Patton of Edwardsville (right of Yelton), William Clopton of O'Fallon (first row) fourth from left) and John Lostutter of Granite City (first row, fifth from left), The others are from the Lanark golf course in Scotland.

grid practice on Aug. 26

Head caches John Sikora of Grigaby Junior High School and Jim Deleonardis have announced that football practice and equipment handout will begin on Aug. 26 for football teams at both schools. The time of the handout will be announced at school. Eighth group hayers are a physical to participate in football.

Fall softball in Madison

Fall softball leagues are now forming in Madison. Leagues will play games on Mondays (women) and Tuesday-Thursday (men). The entry fee for each team is \$175. Teams wishing to participate should contact Jim Broadway at 451-1440. The deadline for entry is Aug. 27.

Lord Nelson's seeks teams

complished and presented to me is worth 10 times the cost of sponsoring..." Weeks wrote in a letter to this newspaper.

"You'll probably not receive enough business to offset your investment, what you will do is keep the community's summer programs. This helps the young poeples stay active for the summer. The programs are the community's display the (awards) and status for your investment."

Weeks is right the Granite City Park District is one of the best in the area and the sponsors of the numerous teams are the ones who make sure the programs are there. Without sponsors there would be no teams, without teams there would be no teams, without teams there would be no leagues, without leagues there.

Lord Nelson's Sports Complex in Granite City is now accepting teams for its fall slow-pitch soft-ball leagues. Play will start on Aug. 25. Openings on Monday through Fridays are available. Men's, women and co-ed teams will be sport of the portion of the portion

Fall softball at GC parks starts Sept. 9.

The fall softball leagues at the Granite City Park District will begin on Tuesday, Sept 9.

Men will play on Tuesday, women on Wednesday and co-ed teams compete on Thursday. The entry fee is \$125.

For additional information, call Dave Price, recreation superviser, at \$77,3059.
